Faculty Positions – Department of Chemistry, National Taiwan University

The Department of Chemistry at NTU is committed to research excellence in all fields of chemistry. The Department invites applications for one or two full-time, open-rank faculty positions. Individuals working at all frontiers and in competitive research areas of chemistry will be considered. At least one year of post-doctoral experience is required by the application deadline.

Candidates should submit electronically a cover letter, detailed curriculum vitae, a list of publications, reprints of representative papers published in the last five years, a statement of teaching preferences (for those who wish to emphasize education, please include teaching philosophy, teaching plans, and drafts of educational grant applications), a description of research plans, and a start-up budget including facility and instrumentation needs to Ms. Chia-Hui Chien at chiahui0@ntu.edu.tw by December 20, 2022. Candidates should also arrange for three letters of reference (including one from the Ph.D. thesis advisor) submitted on their behalf.
