

Announcement on the Recruitment of Full-time Faculty in the Department of Chemistry, National Chung Hsing University

一. One Position: Full-time faculty ranked either assistant, associate or full professor.

二. Qualification: Applicants possess a doctorate degree at home or abroad in chemistry-related fields recognized by the Ministry of Education. Applicants must have at least one year of post-doctoral research experience or are currently working in public or private universities. Preferences are given to the applicants in the field of analytical chemistry

三. Position Start Date: Aug. 1, 2023

四. Application materials:

- (1) Faculty application form, with a copy of certificate of research/work experiences.
- (2) A List of representative and reference publications.
- (3) A copy of representative publication, which must be published after Aug. 1, 2018 and after faculty promotion if applicable.
- (4) A copy of each listed reference publications.
- (5) A copy of certificate of doctorate degree. For doctorate degree obtained abroad, the certificate must be verified by the ROC Embassies or Missions abroad.
- (6) Research plan.
- (7) Teaching plan.
- (8) Applicants who have served in domestic public or private universities for more than 3 years need to provide the approval list of the nearby three-year personal funding from the National Science Technology Council.
- (9) Transcripts of undergraduate and graduate studies.
- (10) Three recommendation letters, including a letter from the doctoral advisor.

五. Deadline:

Application documents should be mailed before **Nov. 15, 2022**

Mailing address: Department of Chemistry, National Chung Hsing University
145 Xingda Rd., South Dist., Taichung City 402, Taiwan (ROC)

Please marked "Application for faculty position" on the mail cover.

六. Note:

- (1) Related e-documents can be found in <http://www.nchu.edu.tw/chem>
- (2) Potential candidates will be informed for an interview.
No return of the application documents.
- (3) Contact information:

Voice: +886-422840411 ext. 479 (Miss Wu)

E-mail : chemistry@dragon.nchu.edu.tw
